MEMORANDUM FOR: Deputy Director for Administration

STAT FROM:

Director of Communications

SUBJECT: Decentralized ADP Support to DA Offices

REFERENCE: A. DDA-87-0056, dtd 13 Jan 87, Same Subject

B. OIT 1081-86, dtd 2 Jan 87,
Subj: ADP Support to DA Offices

1. The Office of Communications (OC) supports the general concept of decentralized ADP support as proposed by the Reference B memorandum. The one major concern not addressed is the management system for reallocation of ADP expertise as development requirements shift from Office to Office.

2. The attachment to Reference B contains some inaccuracies with respect to personnel utilization within OC but this will be resolved with OIT management during implementation.

3. If approved and implemented, OC stands ready to support decentralized ADP services and wishes the proposal every success.
